<u>CRIMINAL REFERENCE CHECK POLICY</u>	
<p>In compliance with the Ministry of Education and the CCEYA, every staff member and volunteer in the classroom is to obtain a current Criminal Reference Check (CRC) with Vulnerable Sector Screening. CRC's MUST be dated less than 6 months prior to starting school. Parents returning in consecutive years need to sign a declaration of no change related to CRC (Note: A new CRC must be submitted every 5 years). If you have not received your CRC you MUST bring your RECEIPT with you to the September General Meeting, to be kept on file for Ministry purposes. The Supervisor will review each CRC and keep the original or true copy on file at the school in a secure location. A positive CRC will be reviewed by the Supervisor and President of the Board to determine the relevance of the information listed to providing direct service within the preschool. In this case, a Record of Clearance may or may not be granted. All individuals required to obtain a CRC must obtain a Record of Clearance in order to provide any direct service to children within the preschool setting. Individuals who are denied a Record of Clearance may participate in the schools in ways which do not involve direct service to children in accordance with other policies within the school. Individuals denied a Record of Clearance will be required to find a suitable replacement to perform their duty days. Please note that the results</p>
